Spaceman - Sam Ryder

F   **C**   **E7**   **Am**

If I was an   astronaut, I'd be floating in mid-air

F   **C**   **E7**   **Am**
And a broken heart would just belong to   someone else down there

F   **C**   **E7**   **Am**
I would be the centre of my   lonely   universe
F   **Fm**   **C**
But I'm only human, and I'm crashing down to earth

Verse 2

**F**   **C**   **E7**   **Am**

If I was an   astronaut, I'd   have a bird's eye view

F   C   E7   Am

I'd circle 'round the world and keep on coming back to you

F   C   E7   Am

In my floating   castle, I'd rub   shoulders with the stars
F   Fm   C

But I'm only human, and I'm   drifting in the   dark

I'm up in   space, man

G   E7 /G# x2   Am   C6   D7

I've searched around the universe I've   been down   some black holes

There's nothing but space, man, and I wanna go home.

Verse 3

F   **C**   **E7**   **Am**
If I was an   astronaut, I'd   speak to satellites

F   **C**   **E7**   **Am**

My navigation   systems would   search for other life

F   **C**   **E7**   **Am**
But I'd be up here   thinking 'bout   what I left   behind

F   **Fm**   **C**

'Cause I'm only human with the real world on my mind

Chorus
F   **C**   **Dmadd11**
